13 September 30, 2009.

14 F. Laws 2000, chapter 404, section 11 is repealed from and after
15 September 30, 2004.

16 Sec. 2. Laws 2000, chapter 404, section 10 is amended to read:

17 Sec. 10. Vehicle emissions identification, testing and repair
18 research study; research study evaluation committee;
19 report

20 A. The director of environmental quality shall conduct a research
21 study to evaluate the feasibility and effectiveness of methods to improve the
22 monitoring of the performance of in-use emissions control systems using
23 alternative technologies not currently utilized in Area A and Area B, as
24 defined in section 49-541, Arizona Revised Statutes. The research study
25 shall be conducted in areas outside and immediately adjacent to the
26 boundaries of Area A and Area B and shall address alternative testing
27 technologies, including improvements in remote sensing, the utilization of
28 on-board diagnostics and any other alternatives for identifying high emitting
29 vehicles and facilitating their repair. The study shall also address methods
30 to improve motorist compliance with the current vehicle emissions inspection
31 program and shall assess the methods to assure a high degree of motorist
32 compliance with the options identified.

33 B. The director of environmental quality shall solicit proposals to
34 conduct the research study pursuant to title 41, chapter 23, Arizona Revised
35 Statutes, and shall establish a contractor selection committee composed of
36 individuals with expertise in disciplines related to automotive emissions
37 control technologies, automotive emissions repair, design and operation of
38 emissions analyzers, operations research, behavioral science, law enforcement
39 and public safety, program performance evaluation, and engineering to assist
40 the department in developing the request for proposals and evaluating the
41 proposals received.

42 C. The director of environmental quality may expend up to \$927,200
43 from the emissions inspection fund established pursuant to section 49-544,
44 Arizona Revised Statutes, as amended by this act, to fund the contractor
45 selected to conduct the research study.

1 D. The contractor shall report to the director of environmental
2 quality at least every six months on research results pursuant to a work plan
3 approved by the director. The director of environmental quality shall submit
4 those reports to the governor, the speaker of the house of representatives,
5 the president of the senate, AND the joint legislative budget
6 committee. ~~and the vehicle emissions identification, testing and repair~~
7 ~~research study oversight committee. By June 30, 2002, the director of~~

9 ~~research study, including major findings and conclusions, to the governor,~~
10 ~~the speaker of the house of representatives, the president of the senate, the~~
11 ~~joint legislative budget committee and the vehicle emissions identification,~~
12 ~~testing and repair research study oversight committee.~~

13 E. ~~The director of environmental quality and the contractor shall~~
14 ~~report to the vehicle emissions identification, testing and repair research~~
15 ~~study oversight committee as requested by the committee.~~

16 F. E. The research study shall be concluded not later than June 30,
17 2005, by which time the contractor shall submit a final report of its
18 findings to the director of environmental quality. The director of
19 environmental quality shall review the final report, prepare recommendations
20 based on the report and submit the final report and recommendations to the
21 governor, the speaker of the house of representatives, the president of the
22 senate, AND the joint legislative budget committee ~~and the vehicle emissions~~
23 ~~identification, testing and repair research study oversight committee by~~
24 ~~September 30, 2005, after the opportunity for a thirty day public review and~~
25 ~~comment period.~~

26 Sec. 3. Laws 2000, chapter 404, section 12 is amended to read:

27 Sec. 12. Delayed repeal

28 ~~Sections~~ SECTION 10 ~~and 11~~ of this act, relating to the vehicle
29 emissions identification, testing and repair research study, ~~and oversight~~
30 ~~committee, are IS repealed from and after December 31, 2005.~~

31 Sec. 4. Effective date
